## DOMESTIC APPLICATION FOR CONSENT TO TRANSFER OF CONTROL

Pursuant to section 214 of the Communications Act of 1934, as amended, and sections 63.01 through 63.04 of the Commission's Rules, Motion Telecom, Inc. ("Motion"), by its attorneys, hereby seek consent to the transfer of control of Motion to Network US, Inc. d/b/a CA Affinity ("NUS") (collectively, "Applicants"). Motion holds blanket section 214 authority to provide domestic telecommunications services.

Applicants request approval of a transfer of control , pursuant to an Asset Purchase Agreement (the "Agreement") whereby NUS will purchase substantially all of the telecommunications assets of Motion, including but not limited to Motion's customer accounts (the "Acquisition").

The proposed transfer will benefit the public interest. In accordance with 47 C.F.R. § 63.03, the parties request streamlined processing of this Application.

- (1) The name, address and telephone number of the transferor and transferee.

Transferor:

Motion Telecom, Inc.  
7101 S. Fulton Street, Suite 200  
Englewood, Colorado 80112

Transferee:

Network US, Inc.  
180 N. LaSalle Street, Suite 1820  
Chicago, IL 60601  
(630) 505-0005 X 330

- (2) The state of incorporation of transferor and transferee.

- Motion is a Colorado corporation
- Network US is an Illinois corporation

- (3) Correspondence concerning this Application should be addressed to:

- (4) NUS certifies to the following information:

The name, address, citizenship, and principal place of business of the owners of NUS, holding a 10 percent or greater ownership interest, are:

Name: Brian Sledz  
Address: 180 N. LaSalle Street, Suite 1820  
Chicago, IL 60601  
Citizenship: USA  
Brian Sledz is 50% owner

Name: Tim Sledz  
Address: 180 N. LaSalle Street, Suite 1820  
Chicago, IL 60601  
Citizenship: USA  
Tim Sledz is 50% owner

- (5) The parties to this application certify that neither the Applicants nor any party to the Application is subject to a denial of Federal benefits that includes FCC benefits pursuant to section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. 862.
- (6) Grant of the requested authority will approve consummation of a transaction whereby Motion will sell, transfer and assign to NUS all of Motion's right, title and interest in and to Motion's assets, as defined in the Agreement. NUS will continue to provide service under the blanket Section 214 Authority for which it is presently authorized.
- (7) Both Motion and NUS are non-dominant carriers that resell domestic and international long distance service from various facilities based carriers. Motion and NUS are authorized by the FCC to offer domestic interstate and international services in forty-eight (48) states and the District of Columbia as non-dominant carriers.
- (8) This Application is appropriate for streamlined treatment based on Section 63.03 (2) The transaction would result in NUS having a market share in the interstate, interexchange market of less than 10 percent and NUS would provide competitive telephone exchange services exclusively in geographic areas served by a dominant local exchange carrier that is not a party to this transaction.  
Section 63.03(2)(1) Neither Motion or NUS is dominant with respect to any service.

- (9) The parties have filed a separate application for consent to the transfer of control of Motion's 214 International authorization with the International Bureau of the FCC.
- (10) Not applicable.
- (11) Not applicable.
- (12) Grant of the instant application will serve the public interest, convenience, and necessity. Critical to the Acquisition is the need to ensure the continuation of high quality, uninterrupted service to all customers currently served by Motion. The Acquisition will also serve to create a heightened level of operating efficiency which generally will serve to enhance the overall capacity of NUS to compete in the marketplace and to provide telecommunications services for a greater number of consumers at competitive rates.

## **V. SUMMARY AND CONCLUSION**

In summary, Applicants request expedited review and disposition of the instant Application.

No new construction is involved, and grant of the instant application would not constitute a "major" environmental action pursuant to Section 1.1305 of the Commission's Rules.

Applicants Motion and NUS confirm that they have no affiliates that provide telecommunications service.

In view of the foregoing, the applicants respectfully request that the Commission consent to the acquisition by NUS of control of Motion and its domestic telecommunications operations.

Dated this 10<sup>th</sup> day of August, 2004.

Respectfully submitted,

By
